RE: Case No. 2008-00017
BCWD/Ky. Mt. Bible College

Dear Ms. O'Donnell:

I have received the order issued in the above-referenced case and have spoken with the Public Service Commission's attorney, Gerald Wuetcher, regarding the information ordered to be provided therein.

Mr. Wuetcher and I feel we can resolve this issue via teleconference. The Breathitt County Attorney, Brendon Miller, will also need to be present for the teleconference. If this method of resolving this matter meets with your approval, please contact me and I will coordinate the scheduling.

Thank you in advance for your assistance in this matter.

Sincerely,

Paul Shannon Moore
